Mr. Harry E. Harman,
1613 Baltic Ave.,
Atlantic City, N. J.

Dear Mr. Harman:

I have just received a letter from Cum Posey, teeling me The Elks' game in Atlantic City between The Eagles and The Baltimore Elites is going to be played Wednesday Night, August 27th.

I am sorry I was unable to have it played under the sponsorship of the American Legion, but it seems The Elks were able to get the park and of course are anxious to get all the money they can out of the game.

I do hope you will get busy this Winter and work out some program by which The American Legion can have one night a week and which will enable us to schedule the games at the regular scheduled League Meeting. If you cannot get Friday, may be you can get Wednesday.

Please let me hear from you at your earliest convenience.

Very truly yours,
